DIVISION OF UTAH STATE PARKS AND RECREATION PERSONNEL

Chris Haller	OHV Program Manager
Stacy Stickler	OHV Program Executive Secretary

GUESTS

Paul Diegel	Utah Avalanche Center
-------------	-----------------------

Helene welcomed everyone to the meeting.

Chris' Information:

David Olsen and Sean will be on the Council for another year since it is in Utah Code that the term for a member is four years.

HC Burton, their project was 90% complete before the grant was awarded to them. That money will be returned for next year projects.

A lot of projects have been coming in under budget so we will have that money coming back as well.

Federal Highway budget will see a reduction of 4% for next year. RTP should still be the same for next year.

FRIENDS OF UTAH AVALANCHE CENTER

Paul Diegel is the Executive Director of the Friends of the Utah Avalanche Center. Paul gave the Council a review of who they are and what they do.

FINALIZE APPLICATION & AWARD CRITERIA STANDARDS

The Council brainstormed ideas on changing the application and guideline. Helene will compile this information and send it out to the Council.

Chris would like to have the application available January 1 but not start accepting applications until February 1st or 15th and still have the deadline May 1st or the last business day of April.

Chris would like a proxy vote from the Council electronically on the new application and guideline before application is put on the website. Helene and Chris will have all the information out by December 12 in draft.

Workshop adjourned at 4:50 pm.
